SCR 1228—A concurrent resolution paying tribute to sons and daughters of the state of Florida in the United States armed forces by awarding a State Medal of Tribute to be presented by the governor.

WHEREAS, from time to time the people of this nation, with hearts full of love and gratitude looking toward the establishment of peace on earth and goodwill toward all mankind, have found it necessary because of rampant and unrestrained communist military aggression, to offer the young men of our country to go to the four corners of this earth and fight a war and lay down their lives with the burning hope that they have not died in vain, but that out of this great suffering and terrible destruction and horror there shall rise the strong foundation of a lasting peace, affording to all peoples of the world liberty of worship, speech and freedom from fear and want, and allow the self dignity of man to be the heritage of every human being, and

WHEREAS, in furtherance of this unselfish desire to protect and allow an unrestrained growth of these inalienable rights, this great nation has sent the sons and daughters of our state to the far destined shore of southeast Asian nations to preserve upon that land the foundation of the dignity of the spirit and soul of the Vietnamese people, and

WHEREAS, these sons and daughters of our state along with the sons and daughters of our sister states are facing cruelties,

suffering and degradation so unbearable that death itself is kind, and

WHEREAS, these sons and daughters of our state are serving with a valor and courage that raises a swell of pride in the patriotic citizens of our country, and

WHEREAS, the sons and daughters of our state are serving in this horrible war solely because of this nation's needs and without thought of self, and

WHEREAS, such service places a debt on us who are spared the rigors of this war far beyond the ordinary bonds of gratitude, and

WHEREAS, in our nation today, where the freedom to speak out and protest is preserved, there are those who are displaying their disapproval of this nation's involvement in this war and as a result marches and protests have been commonplace throughout this great nation, and

WHEREAS, the citizens of our state have felt the pain, humiliation and embarrassment of such displays, as do our fighting sons in Vietnam, and

WHEREAS, the true people of this state desire to humbly honor these men and women, our sons and daughters in Vietnam, NOR, THEREFORE,

Be It Resolved by the Senate of the State of Florida, the House of Representatives Concurring:
